11		Placement
11.1	Placement	Corporate resource Centre (CRC) plays a
		significant role in bridging the gap
		between the industry and academia. It
		acts as an interface between the students,
		faculty and the corporate world to
		initiate and maintain continuous

		interaction with the industry. The cross sectoral participation of industry bigwigs in campus placement bears testimony to the quality education and excellent talent pool of IAMR, which in turn, has led to building of a long list of recruiters, with additions every year. CRC office facilitates Institute-Industry interface providing an apt platform to the budding managers from IAMR in becoming "Business Ready Managers."
11.2	Industry Linkages	The Institute strives to create forward linkages, with organizations and institutions, where our students get absorbed. Interaction with Industry is promoted in the following ways:
		Guest lectures, workshops, and informal interaction with industry experts: This helps in bringing real life experiences into classrooms while at the same time acquainting the industry with our schools and programs so that they may become potential recruiters. Experts from the industry have also been involved in consultative processes.
		Internships and short-term live projects: Internship and live projects are characteristics of the MBA program offered at IAMR. This gives our students hands-on experience, and enables them to apply the concepts learnt in the classroom to the workplace.
		Placements: The Corporate Resource Centre of the Institute looks into the placement of students. The key responsibility of the Centre is to act as an interface between the students and

		potential recruiters, and smoothen the

13.5	Internal Continuous Evaluation System	IAMR follows a system of continuous evaluation in MBAprogramme. Throughout the semester, the student is tested on his/her ability to understand concepts, learn techniques and apply them to problems in the real world. At each stage of the course, the student would be in a position to assess his/her performance and take measures to improve performance in the course. The evaluation will consist of two components; internal component and end term examination.
		Internal Component: The weightage for the internal component is 33%. The

		internal components for evaluation includes: Attendance, Assignments/ Case Analysis, Presentation, Project, Quiz, Sessional Test and Pre-university Test.
		The components of evaluation and their
		weightages are communicated to
		students at the time of orientation.
		External Evaluation: The weightage of
		external evaluation is 67% comprising of
		end semester examination.
		The evaluation scheme is followed as
