11	Placement	
11.1	Placement	Corporate resource Centre (CRC) plays a significant role in bridging the gap

		between the industry and academia. It acts as an interface between the students, faculty and the corporate world to initiate and maintain continuous interaction with the industry. The cross sectoral participation of industry bigwigs in campus placement bears testimony to the quality education and excellent talent pool of IAMR, which in turn, has led to building of a long list of recruiters, with additions every year. CRC office facilitates Institute-Industry interface providing an apt platform to the budding managers from IAMR in becoming “Software Developer and Business Ready Managers.”
11.2	Industry Linkages	The Institute strives to create forward linkages, with organizations and institutions, where our students get absorbed. Interaction with Industry is promoted in the following ways: Guest lectures, workshops, and informal interaction with industry experts: This helps in bringing real life experiences into classrooms while at the same time acquainting the industry with our schools and programs so that they may become potential recruiters. Experts from the industry have also been involved in consultative processes. Internships and short-term live projects: Internship and live projects are characteristics of the MBA/MCA program offered at IAMR. This gives our students hands-on experience, and enables them to apply the concepts learnt in the classroom to the workplace.

		Placements: The Corporate Resource Centre of the Institute looks into the placement of students. The key responsibility of the Centre is to act as an interface between the students and potential recruiters, and smoothen the process of campus placements.
